Forward-looking information

This notice contains forward-looking statements with respect to the estimated 2017 annual reinvested distributions for the Funds. By their nature, these forward-looking statements involve risks and uncertainties that could cause the actual distributions to differ materially from the estimated distributions set forth in this notice. Factors that could cause the actual distributions to differ from the estimated distributions between now and December 31, 2017 (the Funds’ tax year end) include, but are

not limited to: the actual amounts of distributions received by the Funds; portfolio transactions; index changes which cause rebalancing within the Funds; and subscription and redemption activity.
