

## Fund Overview

The WisdomTree International Quality Dividend Growth Index ETF seeks to track the price and yield performance of the WisdomTree International Quality Dividend Growth Index CAD, a fundamentally weighted index designed to provide exposure to dividend paying companies in the developed world (excluding Canada and the U.S.) with growth characteristics. The exposure that the portion of the Fund's portfolio attributable to the Non-Hedged Units has to foreign currencies will not be hedged back to the Canadian dollar.

## Index Description

The WisdomTree International Quality Dividend Growth Index CAD is a fundamentally weighted Index designed to provide exposure to dividend paying developed market companies with growth characteristics. The primary starting screening universe for the Index is the constituents of the WisdomTree International Equity Index<sup>1</sup> with market capitalization of at least \$1 billion. The Index is comprised of the top 300 companies from the WisdomTree International Equity Index with the best combined rank of growth and quality factors. The growth factor ranking is based on long-term earnings growth expectations, while the quality factor ranking is based on three year historical averages for return on equity and return on assets. Companies are weighted in the Index based on annual cash dividends paid.
